

Tournament Performance Site Seating

At each site, the Door Keeper will have an envelope for each team. Please visit your problem site upon arrival to the Orange County Convention Center to pick up your envelope.

The envelope will contain tickets for your team for preferred seating to their Long Term Performance. Each envelope will contain 2 Coach Tickets as well as 7 Friends/Family ticket. Each ticket is for a pod of seats (ranging from 4-6 seats). We recommend one pod for each family group.

Any seating outside of these groups will be general spectator seats, which we also encourage to be a single per family group.
